What do Furniture Mine do?

As a charity and social enterprise we offer a broad range of services around furniture re-use and recycling including:

- Provide household goods for high need households.
- Collection of reusable goods for free.
- Refurbish white goods and electrical items.
- Sales warehouse and showroom for customers.
- Undertake Bulky Waste collection for 3 local authorities.
- Provide volunteering opportunities.
- Apprenticeship placements.

Overall our activities include 5000+ collections, 3000 customers assisted and 450 tonnes of waste prevented from going to landfill.

What are benefits of using Furniture Mine

Being part of the Aspire Group gives us the opportunity to maximise benefits to business alongside individuals. Working with us can provide measurable benefits for all users:

- Environmental impact of reduction of waste to landfill.
- Social Return on Investment for business' through volunteering and training.
- Broad area of operation across North Staffordshire and East Cheshire.
- Capacity to collect through fleet of vehicles.
- Supporting opportunities for volunteers to improve their life chances.
- Links to Aspire Group services and resources.
- Helping households in need of support.
