Door2Door Community Transport

Door2Door Volunteer Drivers can support you with transport to and from activities and ensure you are safely settled back at home when you return.

Do you need help getting about?

Door2Door Transport is a friendly transport service for residents of Newcastle-under-Lyme and Stoke-on-Trent who do not have their own vehicle and cannot access public transport easily.

Door2Door Transport can be used for a variety of journeys including:

- Health-related appointments
- Social groups, activities and clubs
- Visiting friends and family
- Banking, shopping, hairdressing
- Volunteering

Our service is operated by volunteers and a fare is charged as a contribution towards costs. Please give as much notice as possible to arrange your transport.

Do you enjoy meeting people? Would you like to be part of a network supporting people in your local community? All you need is your own car and a small amount of time to spare. The role is flexible so you can provide as much or as little time as you can spare but you will be making a huge difference to local people.
